

MARK JOHN AGUIRRE

Frontend Developer

Quezon City, PH
markjohnaguirre@gmail.com
+639688795378

CAREER OBJECTIVE

I want to use my talent in problem-solving and love for new ideas to make cool stuff. I'm all about learning and getting better. My aim is to write code that's easy to understand, safe, and can be kept up-to-date. I believe in breaking things down into smaller, manageable parts to make them work better.
